

Norelius Community Library

Cricut Machine Policy

The following guidelines regarding the Cricut machine will be observed:

The Norelius Community Library is excited to offer the Cricut machine for programming and patron's use. All patrons using the Cricut machine must have a basic knowledge of the Cricut machine in order to operate the machine or be supervised by another responsible individual. Children under the age of 14 years must be supervised by a parent or legal guardian. The library will not be responsible for mistakes made in the creative process or for any injuries sustained during the operation of the machine and by signing the permission form below, the user and supervisor of the patron agree to hold the library and city of Denison harmless from any personal injuries or damages to materials caused by the machine.

Nominal fees will charged for materials requested.
